C F G
 Now that I found the one, what kind of words do I say
 C F C
 To let him know I found the one, to say I'll never stray
 F C
 Yeah, now that I found the one, my home is in his arms
 Am C
 I'm gonna stay by him, my love will never end, I'm gonna stay by him

C Dm F C
 How can I . . . how can I turn away
 C Dm F G
 Now that he's shown me love's warmer rays
 C Dm F C
 In a dream's eye . . . it seems I found the way
 Am C
 How I'm gonna stay by him, my love will never end, if I'm gonna stay by him

Now that I found the one, what kind of words do I say
 To let him know I found the one, to say I'll never stray
 Yeah, now that I found the one, my home is in his arms
 I'm gonna stay by him, gonna love him to the end, I'm gonna stay by him

Break (verse structure)

Repeat chorus above

I know how, I know how years change the dream
 Leaves you to drown in a heart's cold stream
 But his love's the sea, my heart is the sand
 I'm gonna change with him, gonna love him to the end, if I'm gonna change with him

Chorus

C
 Yeah, now that I found the one (instrumental answer)
 Now that I found the one
 Whoa, now that I found the one.
