Intro: G C G D Em C D C G Em C D C G Em C D G G6+4 G

          G  C                  G  
There are roads I haven't driven, there are skies I haven't flown  
          C                  G  Em                          C                  D  
There are places I have never been, and there are friends I've never known  
          C                  G  Em  C                          D  
So I'm off again to find them . . . wherever they may be  
          C                  G          Em          C          D  G  G6+4  G  
Cause I'm a traveler on this endless journey to see what's to be seen

D  C          Em7  Am7  G  
Many times our paths have crossed as we travel on through the years  
D                  Em  Bm          Em9  
Alternating happy times and tears  
C  G  Em  C          D          Em  
And what a marvelous feeling . . . to see you after all of this time  
          C                  G  Em                  C          D          G  
And even though I know we just met, could you be an old friend of mine  
          C                  G  Em          C                  D          G  
Yes I know, I know we just met, but you feel just like an old friend of mine

Chorus

Break: Am G C D C9 G Am G C D C Am7 Em7 G . . . then like intro

Many paths I've walked upon, and many more I have to go  
Many miles of open skies I've flown  
But I've bogged down more than I care to admit, with my boots in the mud to my knees  
But when I pull 'em free, usually, I can see where I need to be

Chorus

Repeat Chorus (1st half semi-acapella)

          C                  G  Em          C  D          G  G6+4  G  
Yeah, I'm a traveler on this endless journey to see
