Cmaj7 Fmaj7  
 Sweet dreamin' dawn this morning to a hundred songs on the wing  
 Cmaj7 Fmaj7  
 While birds of every feather greet the sunrise, rise and sing  
 Dm D9 Am Am7/G  
 To the maya mountain wilderness, that wild enchanted land  
 Fmaj7 Am7 D7+9 Fmaj7+9 G7+9+6  
 Where ancient timeless rhythms beat, beyond the noise of man

Cmaj7 Fmaj7

By the middle of the morning, the sun was climbing high  
 Above the jungle canopy, macaws and tucans fly  
 The monkeys talk, the parots squak, the jaguar stalks it's prey  
 Just like it's been ten thousand years, another perfect day

Fmaj7 Cmaj7  
 Another day in paradise . . . . . another jewell of time  
 Fmaj7 Em  
 A rare and special treasure, that's shrinking all the time  
 G Fmaj7 Cmaj7  
 While the whole wide world just spins away . . . . . and way too soon  
 Am Am7 Am7/G D9 Fmaj7 Fmaj7+9 C  
 The rhythms of the wilder...ness roll on . . . . . (roll on) from moon to moon  
 Fmaj7 Cmaj7 Fmaj7  
 Moon to moon . . . Moon to moo . . . ooh ooh ooh . . . . . oon  
 Am Am7 Am7/G D9 Fmaj7 Fmaj7+9 C Fmaj7 Cmaj7 Fmaj7  
 The rhythms roll on dawn to dawn, roll on . . . . . from moon to moon

The afternoon brings sunshine and blue sky at it's best  
 The green and growing drinks it in, animals take a rest  
 The waterhole's inviting, and if you listen deep  
 You'll hear the ancient secrets that the river voices keep

The twilight of the evening lays like magic on the land  
 Stars light up the heavens, curl your toes in the warm sand  
 The sunset goes, the moonlight glows, the day slips 'way too soon  
 There goes another yesterday, roll on from moon to moon

Repeat Chorus - ends on Cmaj7
