Flying in the Sea
(c) 1998 Tupelo Kenyon

Swimming with the dolphins, playfully
Glide along with the eagle rays, gracefully
Tag along with the turtles, all day . . . hey, hey
Flying free in the deep blue sea, down Caribbean way

I'm flying, like a dream
Flying, flying free
What a world of wonder, wonderful fantasy
When I'm flying . . . flying in the sea

And this reminds me of traveling, cosmically
Floating like an astronaut, no gravity
I'm stardust, soaring free
When I'm swimming through space, flying in the sea

Chorus
Break (structure of last verse)
Repeat first verse
Chorus

What a world of wonder, wonderful fantasy
When I'm flying, flying in the sea
