It'll Be All Right Now

We have done so much, with so little, for so long . . . (Before long)
We can do everything, with absolutely nothing , forever

It used to be enough to know . . . What we wanted to do
But somehow that has changed into . . . We need to know how too
We want it, yes we do . . . Oh, yes we do . . . or maybe not
The balance of our thought reflects exactly what we've got

(Subtle Side instrumental interlude - once)

We have done so much, with so little, for so long . . . (Before long)
We can do everything, with absolutely nothing, forever
It'll be all right, it'll be all right now
It'll be all right, it'll be all right now

Sometimes my thoughts are little, even when I think I'm thinkin' abundant
Wondering why not, instead of what I want
I want it, yes I do . . . Oh, yes I do . . . Or maybe not
The balance of my thought reflects exactly what I've got

(Subtle Side instrumental interlude - twice)

We have done so much, with so little, for so long . . . (Before long)
We can do everything, with absolutely nothing , forever
It'll be all right, it'll be all right now
It'll be all right, it'll be all right now
