Intro: D4 D D4 D D4 D D4 D

D C
Are you ready to return and live and learn it again

G D
No, I'm not exactly anxious, not very

D C
If it's the last go around on this merry go around

G D
Well, we might as well make it merry

So I'm livin' my life like a party
A goin' away celebration
Cause any old time, you know, could be the time to go
And it's a come as you are situation

D C G D G AD
Celebrate, celebrate life, celebrate being alive
Celebrate, celebrate life, celebrate being alive

Fill: D C GDC D...D C GDC D

You can drive yourself down the rocky back roads
Bouncin' up and down with the bumps
Feed yourself garbage and your life is drivin' you
Spinnin' wheels, down in the dumps

Or you can live your life down the middle of the road
Help yourself, by bein' selective
And live your life like a jamboree
Be cause, it's more effective

Chorus

Break: D C GDC D...D C GDC D
DCD CDC D ... DCD CDC D

You can live your life like a funeral
You can live your life like a wake
Live your life like your sound asleep
Like a dream, give whatever it takes

Chorus (acapella), then repeat chorus again

D C D C D C AD
Celebrate bein', celebrate bein', celebrate bein' alive
