D G C Em7 Am
One day, I asked an expert, how to make it strong and fast
G G/Gb Em C Em7 A9
And how to stay in love a long long time, make a marriage last
D G C Em7 Am
I knew she was an expert, and she'd never steer me wrong
G G/Gb Em Am7 D G Em C D
She fell in love at an early age, and she stayed there for her whole life long

When she answered my question, it was right off the top of her head
It wasn't spoken lightly though, but from the bottom of her heart instead
I knew she spoke from experience, cause I'd seen it ever since I could see G Em C D
(She said) I don't know about anyone else, but I'll tell you about your grandpa and me

G G/Gb Em C Em7 A9
To stay in love . . . live from your heart
G G/Gb Em C Em7 A9 Am D9
It's just a little give and take, to stay together even when you're apart
G G/Gb Em C Em7 A9
To stay in love . . . give from your heart
G G/Gb Em C Em7 A9 Am D9
Take a little and give a lot, and talk it over from the very start
G G/Gb Em C D G Em
Stay in love, and live . . . live from your heart

C D G Em
Stay in love, live from your heart
C D G Em
Stay in love, live from your heart
C D G Em
Stay in love, . . . . . .
C D G Em
. . . . . .

Now we celebrate a new beginning, share all the love this couple can give
With this ring, in this circle of love, together will this family live
So Mom and Dad and the children can grow in this gift of love from above
Like their great grandparents before them, they'll continue in this long,
(long, long, long) long line of love
Chorus
