

Key: D                      This Perfect Moment  
capo: 2                      ©2004 Tupelo and Janey Kenyon

          Fmaj7                      C  
On this day, I can feel forever  
          G Am                                      G4 G  
On this day, I'm right here, right now  
          C G                                      Am                      Am/G  
On this day . . . in this perfect moment  
          Fmaj7 G                                      C C4 C  
Here's my love . . . this is my vow

          G                      Fmaj7                      C C4 C  
I will keep this moment in my heart  
          G                      Am                                      G4 G  
As we stand here together, our new start  
          Am                      Fmaj7 C C4 C  
I will hold this love for you  
          G Am G                      C C4 C  
Shining bright my whole life through

Break, structure: last 3 lines of last chorus

On this day, I can feel my heartbeat  
On this day, I feel yours too  
On this day, in this perfect moment  
Here's my heart, my promise to you

I will keep this moment in my heart  
As we stand here together, our new start  
I will hold this love for you (and I will too)  
Shining bright my whole life through  
I will hold this love for you  
          Am G                      Am Am/G F G  
Shining bright my whole life through  
          C  
In this perfect moment
